Magnier Nuclear experts all over the world are asking, "Where is the final frontier?" After the success of the 'final frontier', which was identified as Baghdad, America can now ask the same question. Are the Iraqis, although politically divided, more united than the Americans? Or can the Americans come out of the Iraqi war with a different interpretation than the one they had before they started. In a devastating report, the US Department of State, in Washington, has revealed the level of unity that the US has reached during the last 4 years. It reveals how much Iraq today is divided, and the extent to which
